3. Total grant expenditures on sections 2a-2k: 12632

5. I certify that grant funds have only been expended for the public purpose of improving, administering and ensuring the safety of elections. Yes

Your initials:

LB

6. Are you interested in requesting a 6-month extension to your grant agreement in order to spend down your grant funds?

No, I do not need an extension.

Here's an opportunity to celebrate your accomplishments! What did you do with the CTCL COVID-19 Response grant funds that you're most proud of?

The grant funds enabled us to effectively train new poll workers, provide sufficient PPE for poll workers and voters, process a record number of absentee ballots, and safely hold an in-person election during a pandemic.

If your annual budget for elections permanently doubled, what would you be able to accomplish that you can't accomplish now?

If given the opportunity we would hire additional office staff to help carryout necessary tasks during larger elections. It would also be great to be able to have larger voter turnout for smaller elections. If we were able to dedicate an employee to assist in "promoting" an election through mailers, social media, etc. that could help.

With the completion of the 2020 Census, local elections offices will get new district maps from their state election authorities in 2021. Do you feel prepared to update precinct maps to reflect changing districts? What training or tools

I have never been through a redistricting process so I am not sure of all the challenges that may arise. We have a mapping department and I am hopeful with their help it will be a relatively smooth process.

would be helpful  
to your office as  
you update your  
maps and data?

Once a month, we  
send out a  
newsletter called  
ELECTricity,  
which helps  
election officials  
stay current with  
election  
administration  
stories,  
technology, and  
best practices.

We also send  
periodic updates  
about CTCL's  
trainings,  
resources, and  
tools. Would you  
like to receive  
this newsletter?

Yes, I'd like to receive CTCL's newsletter.
